D & C

Thank you D & C for having a newspaper with a Letter to the Editor column and for featuring my letter in the Speaking Out Section. My letter was on the subject of the diversion of name callers, blamers and haters in our society. (who come sometimes when people feel like fear & distrust are the norm) I know it is not the norm because I belong to one of the many groups in Rochester who believe that good people come in all forms & trouble makers come in all forms.

As a result of that letter, my group, "The Rochester Freedom Singers have been invited by Charlotte ——— of Local 13 O's new show "Many Voices, My Voice" for four (4) successive ~~Sunday shows~~ Sunday morning shows starting Sunday, Mothers Day, 9:30 AM, May 8th; to sing & talk about what is in our hearts.

thank you.
